

Newhaven Church
Committed to serving Christ, each other and the community.

Stewardship – Using your Time and Talents

Role: Update our Website and Social Media with improvements and keep it up to date.

Background info: Over the years we have had the same website. We have not had the expertise to use it to the best of our abilities or keep it up to date.

Duties: Have a look at our Website, suggest and carry out improvements. Help keep it up to date and help us keep up to date with latest technology.
Help train others so they are comfortable with using and updating the Website.

When & How Often: There would probably be an investment of time in the beginning to see where improvements could be made, then it would be just regular updates as and when required.

Who would I be working with?: This could be something you do on your own but it would be good to get a group of people together to share the work.

What skills would I need?: Knowledge of technology and how websites work. The ability to teach others how to get comfortable updating the technology.

Is Disclosure Required Y/N?: No

Who do I contact if I am interested or need more information?:

Please email volunteering@newhavenchurch.org.uk and we will put you in contact with the right person.
